

Appl. No. 09/876,500
Amdt. Dated April 6, 2005
Reply to Office action of January 6, 2005
Attorney Docket No. P14484/031941-094
EUS/J/P/05-6060

REMARKS

As per the telephone call with supervisor Ario Etienne on April 6, 2005, the Applicant respectfully requests the office action dated 01/06/2005 be withdrawn and a new office action be issued. Applicant respectfully submits that the pending office action incorrectly examined claims 1-34 which are no longer pending in this Application. A Preliminary Amendment was filed with the Application on 10/12/2001 canceling Claims 1-34 and adding new Claims 34-68. A new office action examining the patentability of now pending Claims 34-68 is instead requested.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
